M.D. Athabasca

Allotments Of Seed Grain Arranged On Acre Basis By Municipal Council

MEANOOK — At the recent meeting of the Council of the Municipal District of Athabasca, it was decided that the following be the amounts of seed grain to be issued per acre. Wheat 1½ bushels; Barley 2 bushels; Oats 2½ bushels per acre.

Mr. Breckenridge, B. C. Hart, H. Armfelt and G. Godel were appointed by the council to attend the meeting about seed grain, and given authority to pass on all applications, and allowed to add to the committee if necessary.

George Hague interviewed the council re Flat Lake, and suggested that a cat and dozer be used to deepen the channel to let the water away, or a drag line. Considerable discussion took place as to the best way to lower the water level of the lake, but no definite decision was arrived at. Council was of the opinion that whatever was done would have to be charged back to the persons benefiting.

The Reeve stated a municipal cat and dozer would be put in to deepen the outlet, if they will pay 50 per cent of the total cost, and the Provincial Government the other 50 per cent. Mr. Botten stated he had made arrangements with a Mr. Burke and another man to cut the grass in the outlet, but they had not done the work. The six delegates adjourned for forty minutes, and finally decided they would pay 25 per cent of the cost of the work, if the M.D. paid 25 per cent and the Provincial Government 50 per cent.

P. Hnatyshyn interviewed the council, and stated he wanted to again appeal his assessment. He was told his appeal is too late to go before the assessment commission, but that he could put in an annual appeal during this month.

Council accepted an offer of Ted Leschyshyn of Grassland, Alberta, to purchase Lot 15, Block 2, Grassland, for the sum of \$100, on terms of \$30 cash and the balance in one year, with interest at the rate of 5 per cent per annum, subject to the approval of the Minister of Municipal Affairs, and that a by-law be passed.

A lot in the hamlet of Grassland was sold to Theodore Leschyshyn for \$100 with \$30 cash and the balance within one year. Two quarter sections of land (N.E. 31-66-24-4 and N.E. 32-66-24-4 were sold to L. G. Fowler of Athabasca for \$300 each, payable \$100 each in cash and the balance in two equal instalments.

It was decided that the sum of \$50 be paid to B. C. Hart to attend the assessors convention at Edmonton.

Fred Chabun of Westlock M.D. interviewed the council and stated his land was being flooded from Caribou muskeg. The Reeve stated he had made an inspection of this land, but would make another one, and see if a road could be built that would take the water away.

The Reeve, Clrs. Brackenridge and Lynk will make an investigation of the above and report to the council at the next meeting.

Lund Appeal

It was decided to notify Mr. Lund council cannot make a new assessment in Division One, as the values are in line with provincial values, and they have an opportunity to appeal if they think they are out of line.

(Continued on page 5)

Funeral Rites For Mrs. Belanger

PLAMONDON. — Mrs. E. Belanger passed away suddenly in St. Catherine's Hospital at Lac la Biche Jan. 4.

Mrs. E. Belanger was born in Lake Lulaneau, Mich., and came to Canada as a girl and became the bride of E. Belanger in 1916.

Surviving are her husband, five sons, Wilbert, Harold, Hubert, Ovilla and Paul. Four daughters, Mrs. William MacMillan (Pauline), St. Albert; Mrs. Dale Nellott (Yvonne) of Grassland; Fernande and Marcelle at home, as well as 15 grandchildren; her mother, Mrs. Pauline Schant, seven brothers and seven sisters.

Pall-bearers were her four sons, two sons-in-law, William MacMillan and Dale Mellott.

Funeral services were held in St. Isidore Church in Plamondon on Jan. 8, with Lakeview Mortuary in charge of arrangements. Rev. Father Ricard officiated. Interment was in the Plamondon cemetery.

On Jan. 21 Bernice Belanger, two-week-old daughter of Mr. and Mrs. Hubert Belanger passed away in St. Catherine's Hospital.

Lions Curl At Red Deer

LAC LA BICHE — N. Myskiw, S. Hamar, J. Zaluzny, F. W. McMillan and Mr. and Mrs. Dorish motored to Red Deer to enter a Lions' curling bonspiel.

They arrived at Red Deer on Saturday, Feb. 5, to be welcomed by the Red Deer Lions. A social event was held in the evening.

On Sunday each team played three games. The Lac la Biche Lions won two games out of three. Bittsbury won the total points.

Canadian Legion To Hold Blanket Bingo

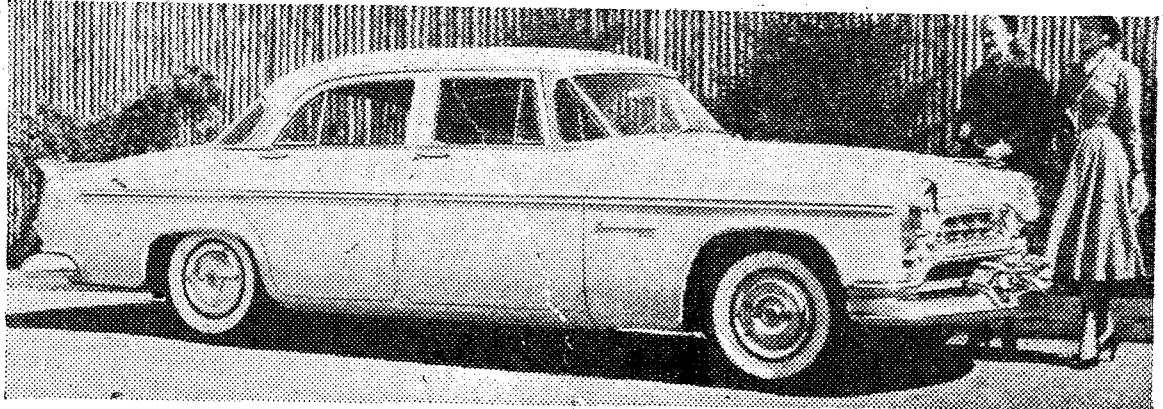

LAC LA BICHE — The Canadian Legion is holding a blanket bingo on Feb. 17. The blankets are pure wool and the value is \$12.50 of each blanket. Only 10c a game, and those wishing to obtain advance tickets may do so by getting in contact with any Canadian Legion member.

Twenty blankets are up for prizes. The bingo will begin at 8:00 p.m.

LOCAL CREAMERY WINS SEVERAL AWARDS AT CALGARY CONVENTION

New honors went last week to the annual convention of the Alberta Dairywomen's Association. Cash awards totalling \$1500 went to the Lac la Biche Creamery for finest butter production.

1955 CHRYSLERS FEATURE NEW "FORWARD LOOK"

The 1955 Chryslers are totally new from bumper to bumper and reflect in its most luxurious form Chrysler Corporation's "Forward Look" styling. The Windsor Deluxe four door sedan, above, offers new tastefully-matched exterior and interior colour combinations and a completely new 188 horsepower Spitfire V-8 engine for top performance. In addition to the sedan, the Windsor Deluxe series offers a convertible, the

Newport (hardtop) and the Town and Country Wagon. The Chrysler New Yorker Deluxe series, powered by the superb 250 horsepower Fire-Power V-8 engine, is available in a four door sedan, convertible, Town and Country Wagon, and the St. Regis (hardtop) while the incomparable Custom Imperial series includes a Newport (hardtop) and a four door sedan.

LAC LA BICHE VOLUNTEER FIRE BRIGADE HOLDS BANQUET

The firmen's second annual banquet was held on Feb. 10 at the Lac la Biche Memorial Hall with 48 guests present.

The firemen of the volunteer fire brigade held their first banquet this year. Councillors of the town, giving talks were: L. Badry, M. Maccagno, F. W. McMillan, R. Raines, M. Perron, E. Tkatchuk and Mayor C. Lebas. All wives were present at this event.

The United Church Ladies' Aid prepared the supper.

A report on the past year's activities was given by Assistant Fire Chief Jack Williams. E. G. Dobson expressed thanks to the Council for the added equipment they now have on hand.

The fire brigade presented a table-lamp to one of their members, Robert Rudiger, who is to be married on Feb. 14.

J. Hamar proposed the toast to the ladies.

The tables were decorated with flowers with 2-inch nozzle, pick and axe and pike-pole at the head of the table.

A firemen's ball will be held at some future date.

Madeline Johnston Honored At Shower

LAC LA BICHE — On Feb. 6 Mrs. M. Bouvier honored Miss Madeline Johnston by giving her a shower at the home of Mr. and Mrs. C. Lebas. About 45 women were present, showering Miss Johnston with many lovely gifts.

Part of the evening's entertainment was a short comedy act, Mrs. M. Bouvier and Mrs. A. Breau presented the gifts to the bride-elect.

A lunch was served after the gifts were unwrapped and admired. Mrs. Kelly and Miss Y. Langevin accompanied the singing on the piano. Mrs. Hilda Martin got the end of the ribbon with the wedding band attached.

Father Raffaele Honored At Chicken Supper

UNITY — An enjoyable chicken and macaroni supper was held at Venice Parish Hall on Feb. 6 in honor of the Very Rev. Father Raffaele from Edmonton, who replaced Father McGrane.

Later in the evening the parish presented Father Raffaele with a gift of \$30.00.

Caslan

Mrs. Pat Gordon had relatives visiting at her home last week.

Mrs. George Waselenchuk is home from Lac la Biche Hospital.

Clayton Henson recently visited his wife, who is in an Edmonton hospital.

RABIES PREVENTION PROGRAM FOR DOGS IN L.I.D. NO. 102

By J. S. LORE, B.Sc., D.A.

In following up the Rabies Prevention program started two years ago, there will be a veterinarian in L.I.D. 102 to inoculate dogs against rabies.

Following are dates set for this work in the district.

Monday, February 21—

Mangin School 9:00-9:30 a.m.
Craigend 10:00-10:30 a.m.
Briereville 11:00-11:30 a.m.
Rich Lake 1:00-1:30 p.m.
Goose Lake 2:30-3:00 p.m.
Normandeau 3:30-4:00 p.m.

Tuesday, February 22—

Venice 10:00-10:30 a.m.
Hylo 11:00-11:30 a.m.
Noral 1:00-1:30 p.m.
Caslan 2:00-2:30 p.m.

Wednesday, February 23—

Lac la Biche
Mission 9:00-9:30 a.m.
Plamondon 10:00-11:00 a.m.
Charron 11:30-12:00 noon
Amesbury 1:30-2:00 p.m.
Breynt 2:30-3:00 p.m.
Wander'g River 3:30-4:00 p.m.
Lyle Lake 4:30-5:00 p.m.

Dog owners should take part in this program and have their dogs inoculated. This area is still a

Students' Union Holds Mardi Gras

The Lac la Biche Students' Union annual Mardis Gras will be held on Friday, Feb. 18.

The candidates for Queen are: Iris Dubon, Students' Union; Joan Tikkanean, North Star Club; Nattaka Salahub, Craigend 4-H Club; Rose Danyluk, Greek Orthodox Ladies.

Tickets are now on sale and may be obtained from any member of the clubs mentioned above. One ticket entitles you to a vote for the Queen, admission to the dance, and a chance for a valuable door prize.

Crowning of the Queen will be held at the Memorial Hall at Lac la Biche at 9:30 p.m. A dance will follow the crowning of the Queen.

All tickets must be handed in by Feb. 18 at 4:00 p.m.

The Christian life is not a subtraction of trouble: it is an addition of Power to meet it.

AURORA THEATRE

Bridal Shower For Madeline Johnston

LAC LA BICHE — A bridal shower was held in honor of Miss Madeline Johnston at the home of Mr. and Mrs. L. Rudiger. Approximately 16 girls were present. During the evening Miss Denise Richard played the piano for a sing-song.

A couple of girls assisted in unwrapping the gifts and the pieces of ribbon were tied together to decide who would be the next bride. The engagement ring of the bride-to-be was tied to one end of the ribbon and wound into a ball. Miss Louise Tremblay was the happy receiver of the ring at the end of the long streaming ribbon.

A lunch was served by Mrs. McCullough, Mrs. L. Settles and Mrs. L. Rudiger.

Kikino

T. M. Johnson and Leo Thompson motored to Edmonton on Sunday on business. They will return on Wednesday.

Raoul Lavalley of Brosseau spent a day here recently.

Mr. and Mrs. D. Thompson and family of Brierville attended the show Saturday night.

Merritt Whitford of Lac la Biche spent the weekend at the home of C. Thompson.

Lac La Biche

After two years and three months of service in Lac la Biche, Constable M. Hryb transferred to Entwistle. He left for his new post Feb. 8.

The curling season is well under way with Mr. Myskiw's team in the lead, and Mr. Hamar's next.

The North Star Club is now offering physical training classes for club members at the Dr. Swift School. The boys attend Tuesday and Thursday evenings and the girls on Tuesdays.

A nice crowd was present at the John Deere Show on Feb. 8. Lunch was served later at Mr. Lobay's shop.

The Lac la Biche Baseball Club

held a dance on Feb. 3. The lucky winner of the \$25.00 grocery hamper was Mr. Timmons. The local orchestra provided the music.

Miss Ann Kostiuk is employed at the Royal Cafe, replacing Miss Shirley Dodds.

The Imperial Bank at Lac la Biche is short-staffed since Miss Tilly Panchuk became ill.

Miss Yvonne Duhamel's cousins, Leo Duhamel and wife, Darel, and Ed Balanger and wife, Edna, were visiting her during the week-end.

A senior hockey team went to Athabasca on Feb. 6 to play against the Athabasca hockey team and lost by a score of 4-1. They were taken there in the school bus by John Besniuk.

Ernest Zacharuk of Redwater

has returned to his home after a long stay at the University Hospital in Edmonton.

Recent visitors to the city include Mr. and Mrs. U. Duban, Sonia Duban, Jean Tikanen, Ken Ingram, Peter Tymchuk and Jacques Tremblay.

Grassland

On Tuesday the Grassland School hockey team journeyed to Boyle, and came within inches of beating the redoubtable home team, but finally coming out on the losing end of a 3-2 score.

Mrs. Hula has returned from the city.

Mrs. Kopin, Mrs. Alekiuk and Mrs. Nypiuk have returned home

after spending a few days in Edmonton.

Mrs. Cherdmiak has been in Edmonton for the last two weeks receiving medical treatment.

Mr. and Mrs. John Dytiuk attended a wedding at Craighend recently.

Golden Jubilee

SONG WRITERS' COMPETITION and PLAY WRITING COMPETITION

The Golden Jubilee Committee announces the establishment of a Song Writing Competition and a Play Writing Competition as part of the Alberta Jubilee activities. The purpose of the competitions is to stimulate interest in song writing and in the writing of regional drama and the production of plays written by Albertans.

Rules for Song Writers' Competition

1. Entries will be received up to April 15th, 1955. All entries must be sent to the Golden Jubilee Committee, Edmonton, in an envelope plainly marked SONG WRITERS' COMPETITION.
2. Compositions previously published will not be eligible.
3. Open to amateur and professional song writers of Alberta. Entrants must have been resident in Alberta since Oct. 1st, 1954, or, if not resident at the present time, must previously have been resident in Alberta for a period of five years or more.
4. Songs may be for solo voice or unison singing as well as part-songs for two, three or four voices. If the compositions are designed to have a full piano accompaniment, this must be provided. (N.B. Failure to provide full accompaniment to songs requiring it will render the contestant liable to disqualification.)
5. \$750 in prizes will be awarded to the compositions considered by the judges to be the best submitted. A substantial sum of money will be awarded to the most outstanding entry. If in the opinion of the judges, no submissions meet the required standards no prizes will be awarded.
6. Copyright arrangements in respect of the lyrics must be made by the composer. Arrangements for permission to use the poems in the Alberta Jubilee Anthology should be made with the Publishers.
7. The manuscripts of the songs submitted must be in duplicate, must not contain any identification marks but should be accompanied by a sealed envelope containing the name and address of the composer and attached to the manuscript.
8. The right is reserved by the Jubilee Committee to edit any composition.
9. Authors desiring the return of unacceptable manuscripts please enclose a self-addressed envelope to facilitate their return.
10. The submission of any manuscript signifies an acceptance of all the rules, regulations, and conditions as above stated.
11. Members of the Committee, Judges of the competition and their families are not eligible.

Rules for Play Writing Competition

1. Entries will be received up to June 30, 1955. Three plays will be bought at a price of \$250.00 per play and these plays will be made available to groups wishing to use them as part of the Jubilee activities free of royalty during the remainder of 1955. Inasmuch as it is desirable that plays see production during the writing, the Jubilee office will arrange that producing groups be put in touch with playwrights intending to offer plays for purchase. Playwrights planning to offer a play are asked to signify their intention by writing to the Jubilee Committee so that groups may be informed of plays in preparation. This is not, however, a condition of entry.
2. All entries must be sent to the Golden Jubilee Committee, Edmonton, in an envelope plainly marked, "The Golden Jubilee Play Purchase."
3. Plays must have a playing time of not less than one hour and three quarters but no restrictions are made as to the division of play material into acts.
4. There is no restriction as to subject matter.
5. Entrants, if not resident at the present time, must have been resident in Alberta since October 1, 1954, or previously have been a resident in Alberta for a period of five years or more.
6. Plays must be unmarked and enclosed in a plain unmarked envelope. The name and address of the author should be clipped to the envelope.
7. Plays having been previously published are not eligible.
8. Plays should be typewritten, double spaced, and typed on one side of the paper only.
9. The right is reserved by the Jubilee Committee to edit any play so purchased.

GRASSLAND Alberta

GOLDEN JUBILEE COMMITTEE

ROOM 119—LEGISLATIVE BUILDING

EDMONTON, ALBERTA

City Top In Building Race

EDMONTON (BUP).—The second round in the current building statistics controversy between Alberta's two largest cities apparently ended in favor of Edmonton.

Calgary's industrial co-ordinator claimed that building statistics give Edmonton more than \$64,000,000 and Calgary \$46,000,000. But E. H. Parsons said in actual construction Calgary is far ahead of Edmonton.

He said Edmonton's statistics include city and engineering projects, but Calgary's statistics do not. If these items were added to the Calgary total, he said, it would boost the city's building statistics to more than \$68,000,000.

However, Calgary's claims were answered by Edmonton Building Superintendent R. F. Duke. He said the city totalled some \$68,329,716 worth of building construction in 1954, and stressed the total did not include engineering projects such as roads, sewers, bridges, waterworks, and power and communications.

Stockyard Marketings Hit Peak In City

EDMONTON — Marketings in 1954 on the Edmonton public stockyards set an all time high for hog sales and a 10-year peak for cattle marketings.

Total gains were 11.5 per cent in numbers and 6.4 per cent in values during the last year. Producers marketed 1,375,734 head of live-stock value at \$82,064,619. In Edmonton packing plants and in the public stockyards during 1954.

Public stockyard handlings included 139,081 cattle, 24,560 calves, 225,835 hogs, 17,462 sheep and 2,233 horses.

Mail Boxes Damaged

SALISBURY — Residents of this district have been complaining lately of the damage done to their mail boxes by youngsters shooting holes in them.

One woman reports that she almost cut her hand while attempting to remove her mail from the box, and the postman also complained that it is difficult for him when inserting the mail in the boxes to avoid cutting his hands on the sharp, ragged tin around the bullet holes.

The wet snow gets inside the boxes through the holes and as these mail boxes are expensive to replace, it is hoped that those persons responsible for this vandalism will discontinue this practice.

Trans-Canada Airlines Announce New Air Schedule Edmonton-Montreal

EDMONTON (BUP). — British built Viscount aircraft will cut about an hour and 15 minutes off the flying time between Edmonton and Montreal in a new service planned by Trans-Canada Airlines.

TCA President Gordon R. McGregor said in Edmonton the daily flights between the two cities will start in June. The Viscounts, whose propellers are driven by gas turbines instead of ordinary engines, will travel about 100 miles per hour faster than the North Star aircraft now in use.

The new service will run by way of Calgary, Winnipeg, the Lakehead and Ottawa. Passengers who want to go to Toronto will be able to change in Winnipeg.

Tentative plans call for the Viscounts to leave Edmonton about 9:40 a.m. eastbound, and depart from Montreal about 12:30 a.m. westbound.

It will be the first time that a transcontinental flight has terminated in Edmonton. Trans-Canada Airlines has dropped plans for a second cross-country flight by super Constellation planes by way of Edmonton.

McGregor said at a news conference that TCA has every expectation that the delivery program of Viscounts will remain on time, and the aircraft will go into service progressively, starting in April.

On the Edmonton-Montreal run, the present tourist and first-class North Star services will be continued. The TCA chief said that by the time the height of summer traffic is reached, it is expected all planes will have a comfortable load factor, even though 40 new seats will be available each way daily.

He noted that there is considerably heavier traffic between the two Alberta cities and central Canada than there is between the west coast and Ontario and Quebec points.

McGregor also announced plans for a five-day-a-week all-cargo service across the country.

Rochester

Rochester Community Hall Association will sponsor a bazaar on March 3. The bazaar will continue on Friday with a dance to follow.

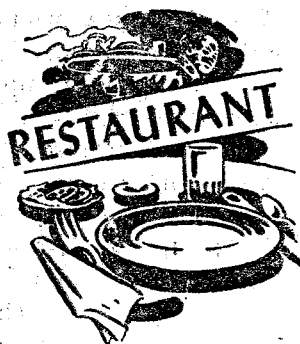

The hockey team of the town and district played a game with Clyde with Rochester winning, 6-1.

Mrs. P. Slonowski and Melvin travelled to Calgary to attend a wedding and returned last weekend. They were accompanied by Mr. and Mrs. N. Michaelchuk. Slim Wilken lost 30 pigs and a pig house when an overheated heater caused a fire.

City Property Assessments

To Be Increased

EDMONTON (BUP). — Assessments on property in Edmonton will be increased this year to reflect a "quite substantial" increase in land values in the past five years.

City Assessor J. A. MacDonald said that figures on the effect of higher assessments are not yet ready, but the boosts will vary greatly in different parts of the city.

The last revision of city assessments was made in 1950, and those values are now considered fairly low. MacDonald said that, gener-

ally speaking, increases will be greater in former outlying areas than in downtown sections.

Increased assessments on commercial properties will depend on rental and sale values.

Assessment notices will be sent out about the end of the first week in March.

Alberta's

Department of Agriculture

Alberta's Department of Agriculture was organized when the Province was created in 1905. Its objective is the constant improvement of farming practice, so that the farmer may receive the greatest return for his efforts

without impairing the soil's fertility.

The work of the department is carried on under a number of branches, each staffed with men and women having special training and experience.

The Field Crops Branch has four divisions, all concerned with better crops and the improvement of cropping methods. These are:

1. Crop Improvement: This division assembles and distributes information about crops and varieties of seed. Special emphasis is placed on forage crops. The use of better seed is encouraged and contributions are made toward the cost of municipal seed-cleaning plants.

2. Weed Control and Soil Conservation: Working closely with the Agricultural Service Boards, this division strives for increased returns to the farmer through better land use.

3. Horticulture: This division includes the provincial horticultural station at Brooks and a forest nursery station at Oliver. Information on trees, fruits, flowers, lawns and vegetables is provided, and improvement of home grounds encouraged. A tree planting program with an objective of 100,000,000 trees is well underway.

4. Crop Protection: This division seeks to control pests and diseases. Information is distributed, and active campaigns for the control of field crop insects, rat migration and livestock predators waged.

The Agricultural Extension Service Branch, through the preparation and distribution of useful information, helps farmers to improve the effectiveness of their operations. To this end the branch employs 47 district agriculturists, 16 district home economists, a staff of supervisors as well as specialists in agricultural engineering, nutrition and home design. Many thousands of public meetings, home visits and office interviews are held each year. Agricultural statistics are compiled for general use, and Alberta's Master Farm Family program honoring outstanding families in five sections of the province is conducted by the branch.

The Radio and Information Branch is responsible for the radio program "Call of the Land." Information of agricultural interest is broadcast Monday through Friday from six Alberta radio stations, and printed releases are prepared and distributed weekly to the farm press and others.

The Poultry Branch assists farmers with their poultry enterprises. Flocks supplying eggs to hatcheries are tested and an experimental breeder farm is operated at Oliver.

The Agriculture Branch is concerned with the promotion and efficiency of bee-keeping. Schools of Agriculture and Home Economics are operated by the department at Olds, Vermilion and Fairview. Practical two-year courses in agriculture are offered to boys, and in home economics to girls. Courses start in October and continue until early April.

The Veterinary Services Branch seeks to reduce disease losses to the livestock and poultry industries, to this end maintaining a modern laboratory for diagnostic services.

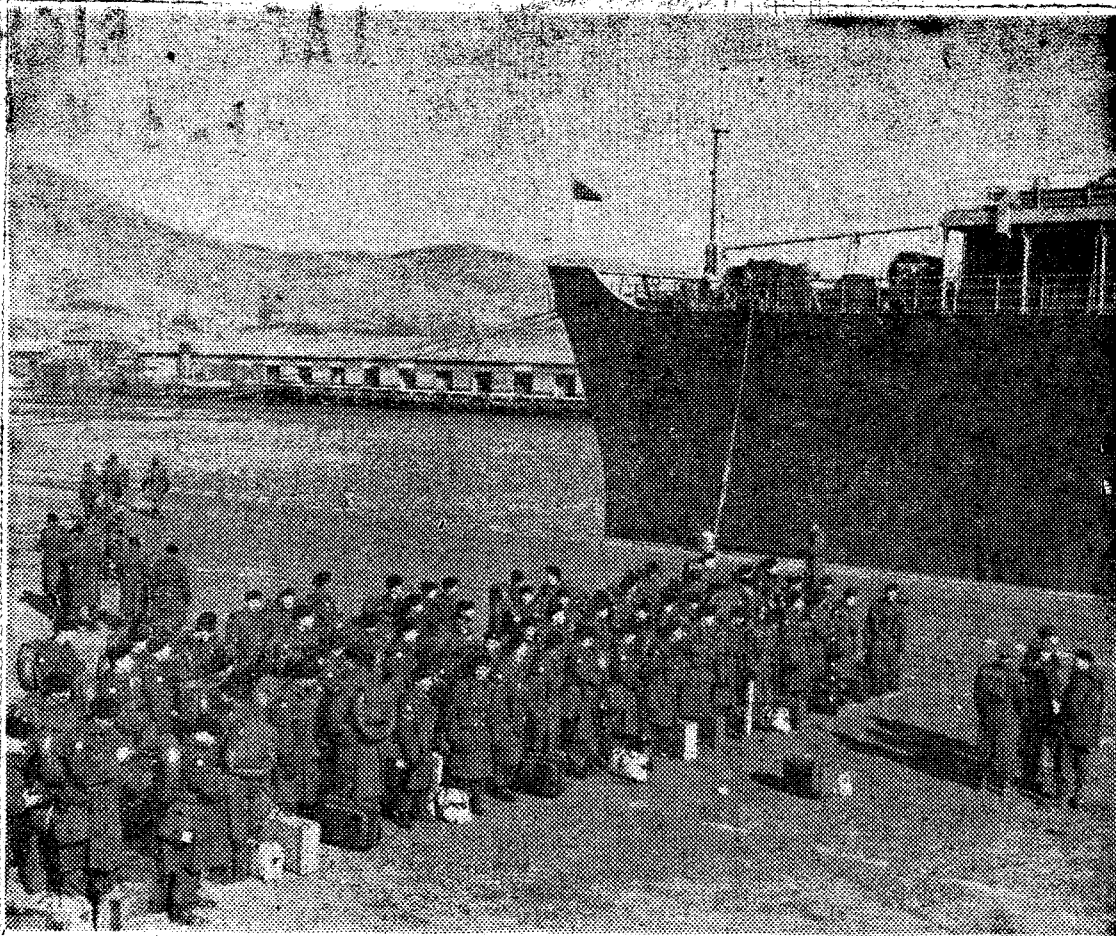

The Livestock Branch promotes better breeding in cattle, sheep and swine through the greater use of purebred sires, and encourages improvement generally through recommended feeding and management practices.

The Dairy Branch is concerned with improvement of the dairy industry from the raw to the finished product. As well as directing attention to production on the farm, this branch is responsible for dairy factory and frozen food locker plant inspections.

The Fur Farm Branch provides Alberta's 900 fur farmers with information and assistance designed to improve quality, reduce diseases and generally to increase efficiency in the production of ranch furs.

Government of the Province of Alberta

GOVERNMENT BUSINESS IS YOUR BUSINESS

THE LAST TO LEAVE—The departure from Korea of the 42nd Infantry Workshop, RCEME, completed the policy of the reduction by two-thirds of Canadian forces serving in the Far East. At the dock-side in Pusan, Korea, these soldiers await embarkation

orders to board the General M. M. which will bring them across the Pacific to Seattle, the first leg of their trip home. They are expected to arrive in Canada the beginning of February.

1955 PROMISES NEW BUILDING RECORD

Edmonton is growing so fast that it won't be long before land lying adjacent to the City, in neighboring Municipal Districts, will be required in some future annexation scheme.

This fact was brought out last week when it was revealed that greater house-building program and industrial expansion is again projected this year for Edmonton and district.

Officials estimate the value of projects scheduled to be started or completed before the end of the year will top \$70,000,000.

New plants and extension of present establishments in 1954 represented an outlay of about \$7,000,000. City building permits issued last year totalled about \$68,000,000.

One city official indicated that if Edmonton keeps expanding at its present rate, it will have to post the "sold out" sign for residential building lots by the end of 1957.

He said at the current rate of sales all lots now designated for residential use will probably be used up in three years. He added that before then additional residential land likely will be made available.

Three new industrials are expected to be launched in the Edmonton area this year, a cement manufacturing plant, a steel rolling mill and a pulp mill.

To meet the demand for cement products created by the heavy building construction activity in the area, Canada Cement Ltd. announced it will build a \$2,000,000 cement clinker plant.

In addition a \$5,000,000 Portland cement plant, financed by Canadian and Belgian capital, is planned. Construction will start this spring and completion is scheduled for 1956.

Preliminary work has started on a steel mill with a capacity of 30,000 tons a year. The Alberta Rolling Mills Company has purchased a 30-acre site for the mill.

Last October work started on \$2,500,000 steel pipe mill for Edmonton Steel Fabricators Ltd. Standard pipe to meet oil and gas line as well as equipment requirements will be manufactured. The mill will have a capacity of 6,000 tons a month.

Work has also started on con-

struction of a \$30,000,000 pulp mill near Edson, 130 miles west of Edmonton. The bleached sulphate mill, with a daily capacity of 300 tons, will employ 1,400 persons.

Forty miles east of Edmonton, Calgary Power Ltd. has started work on a \$3,000,000 steam power plant which is scheduled to go into operation in September, 1956.

Last July construction started on a \$15,000,000 lubricating plant at the Imperial Oil Ltd. refinery east of Edmonton. Completion is scheduled for this summer.

200 Delegates For Tory Convention

CALGARY (BUP). — Officials of the Alberta Progressive Conservative Association expect 200 delegates to attend the annual convention in Calgary in April.

The two-day convention will open April 15th. Members will elect officers and lay plans for future elections.

66 Children '54 Road Victims

EDMONTON (BUP). — Motor vehicle accidents on Edmonton streets injured 66 children below school age last year.

Steve Chahley, representing the Federation of Community Leagues reported the figure last night to the Edmonton Safety Council. He said the children were playing on the street in almost all cases.

It takes one bottle of Canadian Red Cross blood to make one injection of gamma globulin to fight polio.

Says Beware Of Chain Letters

EDMONTON (BUP). — Edmonton Postal Department officials have warned citizens to ignore a "Sell Your Way to Health" chain letter scheme reported spreading through the three prairie provinces.

In the present scheme, believed to have started in the United States, a list with 10 names is "sold" to the next person in the chain for \$5.00, with the buyer also sending \$5.00 to the top name on the list.

Officials say it is "illegal" to send chain letter payments by mail, and the letters are liable to interception. Money sent by mail, if suspected to be connected with a chain letter, can be stopped by the Department.

If the sender is known, say the officials, the money is returned, but if not, it is turned over to the Federal Treasury.

Fluoridation Awaits Provincial Gov't Approval

EDMONTON (BUP). — The city of Edmonton is ready to start fluoridation of its water supplies when provincial approval of the move is forthcoming.

City Health Officer Dr. G. M. Little and Water Plant Superintendent said the staff is already available, and the cost would be small.

The City Council approved fluoridation of the water supply, designed to cut down tooth ailments, three years ago. However, it was decided to postpone the move until

provincial approval was given. The Alberta Research Council endorsed fluoridation of water supplies in a report released Saturday, and the matter is expected to be discussed during the next session of the Legislature.

Dr. Little said fluoridation would reduce dental caries by two-thirds among children born after the process starts, and would also reduce caries among children born before the inauguration of the plan.

(Continued from Page 1)

Mellott Gas Pumps

Moved by Clr. Derko that D. Mellott be approved to operate two gas pumps in the Hamlet of Grassland. Carried.

J. Kuzig Road

It was stated that Joe Kuzig of Frains wants compensation for use of his land for a road. Clr. Derko stated he has the road brushed out, and is going to try and grade it in 1955.

A. Sale Logs

Moved by Clr. Wright that A. J. Sale be authorized to cut logs on the N.W. 22-67-21-4, upon payment of regular dues.

Grassland Nurse

Moved by Clr. Derko that council recommend to the Dept. of Public Health that Mrs. Genoud be appointed as municipal nurse at Grassland. Carried.

Imperial Oil, Colinton

Moved by Clr. Breckenridge that council approve of the plans of the Imperial Oil to build at Colinton. Carried.

Golden Jubilee

The secretary was instructed to inform the Government that they intend to use the provincial grant of 25 cents per head for sport days at local centres.

Philipzyk Appeal

Moved by Reeve Aloisio we inform R. Philipzyk that he cannot appeal his assessment for 1954, but that he can appeal during January for 1955. Carried.

Hewett Road

A complaint was made by W. Hewitt re his road. Clr. Botten stated he had tried to fix up this road last year.

Blanchard Road

A letter was read from Mr. Blanchard re compensation for a road through his land.

Moved by Clr. Breckenridge that we inform Mr. Blanchard that the road was used only one year, and is not being used now, and to put in a bill for \$10 for use of same. Carried.

By-law No. 364

Moved by Clr. Derko that council accept the offer of M. Fridman to purchase the S.W. 3-68-19-4 for the sum of \$641.66, on terms of \$392.24 cash and the balance within one year, with interest at 5 per cent per annum, subject to the approval of the Minister of Municipal Affairs, and that a by-law be passed. Carried.

By-law No. 364 of The Municipal

District of Athabasca No. 103

A by-law concerning the sale of the S.W. 3-68-19-4, pursuant to the provisions of The Tax Recovery Act, 1942, and amendments there-by.

Whereas an offer has been received from M. Fridman to purchase the S.W. 3-68-19-4 for the sum of \$641.66, on terms of \$392.24 cash, and the balance in one year with interest at 5 per cent per annum;

Be it enacted that the said offer be accepted, subject to the approval of the Minister of Municipal Affairs, as provided under Section 18 of the above recited text, and that the Reeve and Secretary-Treasurer be authorized to execute an agreement-for-sale on said terms.

Received first and second reading, and by unanimous consent of all the councillors present, a third reading, and finally passed this 14th day of January, A.D. 1955.

Waddle Assignment

Moved by Clr. Breckenridge that council accept the assignment of sale to the N.E. 18-65-20-4 from W. Waddle to J. Lachance. Carried.

Westeel

Clr. Derko stated he would pay for the steel culvert got by Mr. Vincent and installed in the road at Atmore.

Grassland Nurse

Moved by Reeve Aloisio we inform the Dept. of Public Health that council is not in a position to purchase an electric floor polisher for the Grassland nurse. Carried.

Cat Rollers

Moved by Clr. Wright that a committee of councillors be authorized to dispose of old HD 10 cat rollers. Carried.

Scott Land

Moved by Clr. Breckenridge that we inform Mr. Scott that his cultivated land has been measured by the field supervisor, and it measures 19 acres. Carried.

By-law No. 365

Moved by Reeve Aloisio that a

by-law be passed putting into effect the Tax Consolidation Act for the year 1955. Carried.

By-law No. 365 of The Municipal District of Athabasca No. 103.

Under the authority and subject to the provisions of an act to provide for the consolidation and payments of installments of certain local taxes, being Chapter 35, Statutes of Alberta, 1935, the council of the Municipal District of Athabasca No. 103 hereby enacts that the provisions of the Local Tax Arrears Consolidation Act, 1935, shall be in force in this municipality during the year 1955.

Read a first and second time, and by unanimous consent of all the councillors present, a third time, and finally passed this 14th day of January, A.D. 1955.

Assessor and R.O.

Moved by Clr. Breckenridge that B. C. Hart be appointed as assessor for the year 1955. Carried.

Moved by Clr. Breckenridge that B. C. Hart be appointed as Returning Officer for the municipal election in Divisions Five and Seven. Carried.

Court of Appeal

Moved by Reeve Aloisio that the court of appeal be held on Friday, Feb. 11, 1955. Carried.

Weed Inspector

Moved by Clr. Breckenridge that H. Armfelt be appointed as weed inspector for the year 1955. Carried.

4-Club Raises Funds At Dance

The Colinton 4-H Club held a very successful whist drive in the school recently. The drive was well attended. Mrs. R. Latoky and Alphonse Lamoureux won first prizes while consolation prizes went to Mrs. Wiltse and Don Wray.

Members of the club served lunch. Proceeds will be used to defray club expenses and to buy materials.

Skinner Must Choose Easier Work

Entering on my eighty-first year, I am undecided as to what I will do for a living. Members of my family, my doctor and some of my more intimate friends suggest, if indeed they do not insist, that I quit work.

They mean well, but they do not know the whole story. Most of my adult life has been spent in the newspaper business. The store business is more lucrative, but I have just been operating this store a year and a half, and most of this time has been spent in laying the foundation. Now some qualified couple with the necessary capital will take over, complete the superstructure and reap where I have sown.

It will take cash to buy this business. No time or trade-ins. For what is now regarded as a nominal sum the right couple could have a home, a business fairly well established on a foundation carefully laid to take care of expansion.

Money is not the prime requisite in disposing of this business, which has become in a sense a part of myself. Prospective buyers will have to be up to specification.

People come from a distance to trade at my store. While this ad is being written a couple who

live thirty miles from here entered the store. Our method of doing business is bringing this type of customer. There is a future for this business.

There will be no slackening of pace because the business is now for sale. Our interest will remain keen, and customers of the store will continue to grow

in numbers. The couple buying this store will be off to a good start.

I feel that I am twice blessed. I am still able to do work of a not too strenuous nature, and I still have to earn at least a part of my living. I have two or three adventures in mind, but will not finally decide until I dispose of the store. So please bear in mind that I am at the helm, that I will appreciate your continued patronage and that when the time comes I will fittingly introduce my successors with the hope that you will continue to patronize the store that has enabled, is enabling, and will continue to enable people to get more for their dollar.

Depending on the amount of stock on hand at the time of sale, I would say that to acquire the property, store fixtures, household effects and merchandise, and have sufficient working capital to carry on, that from \$12,000 to \$15,000 would be required. This would give a home and a business that should keep a couple comfortable. I will not sell to persons lacking the necessary capital. A personal inspection is strongly advised.

J. D. SKINNER.

Perryvale

Paddy Telford, son of Mr. and Mrs. P. Telford has been taking instructions to become a teacher of Latin, American dancing and will receive his diploma and bronze medal from the Delmar Dance Studios at a ceremony in the Trocadero on Feb. 15 at 8 p.m.

The 4-H Club met on Feb. 8. Demonstration of "stain removal and dry cleaning" were given by Marjorie Sjoden and Norma Holmes and on "care of nylons" by Patricia Smith and Lillian Pendergast. Miss Joyce McCutcheon, district home economist was present and spoke about various fabrics, at the home of Mr. and Mrs. P. showing many samples. Miss Mc-

Cutcheon inspected the project work. Next meeting to be held March 8. The club plans to attend a 4-H rally at Westlock on Feb. 19.

The ball club will sponsor a dance of Feb. 18 with the Silver Valley Boys supplying the music.

The regular dance will be held on Feb. 25 with the Northern Ramblers supplying the music.

For the balance of February the regular shows will be held on Feb. 12, 19 and 26, reverting to Mondays again in March.

Mrs. Beatrice Ward and Const. Earl Morrow were recent visitors at the home of Mr. and Mrs. P. showing many samples. Miss Mc-

Preparations Containing Rotenone Used To Advantage For Cattle Lice

By J. S. LOBE, B.Sc., D.A.

Livestock men, in case you have not inspected your cattle for lice recently you should do so now. I have notice several animals in different herds that are quite lousy and if these animals are not treated they soon become thin and in addition the lice will spread to other animals in the herd. If you notice some animals that are doing a lot of scratching or have bare patches of hide on their neck or between their legs, it is a good indication that they have lice and should be treated.

In treating the animals the louse powder should be rubbed into the hair of the animal with a brush or your hand. The animal should be treated and a repeat treatment given in 14 days. The repeat treatment is necessary to kill any eggs that have hatched since the first treatment. All delousing preparations are safe to use if you follow the instructions on the container but DDT preparations should not be used on milk cows or young calves. Preparations containing rotenone are safe to handle and can do a good job.

When inspecting them for lice you might also be on the lookout for warbles which are indicated by little bumps on the backs of the animals. If warbles are present you can treat them with warble powder preparation.

It is impossible to set a definite time for treating a specific herd because of variations in time of grub appearance in different localities from year to year. In order to determine the proper timing of treatment the stockman must examine the backs of their cattle very carefully at frequent intervals. This examination should be initiated in February, March, April and May are the three months when spraying in Alberta is recommended. When it appears that the most mature grubs are about ready to emerge from the animals' backs, it is time for the first treatment. The second treatment should be made about 30 days after the first. Usually calves and yearlings are most heavily infested animals and are therefore desirable for pre-treatment examinations.

In order to realize effective control, it is necessary to spray the mixture of 100 gallons of water, 7½ pounds of 5% rotenone, and one pound of Tide or Dreft at 400 to 600 pounds per square inch pressure. A spray gun delivering a flat fan-shaped spray is the most desirable, and it should be

held so as to obtain a hard driving spray pattern about three or four inches wide. The nozzle of the gun should be held at a distance of approximately 12 inches above the animals' backs. At least two sprayings should be done, but three are desirable.

For the small herd, the brush and bucket method will give good results. Use a stiff brush to rub the solution into the hair and to remove the scabs from the holes. A repeat treatment is necessary as in spraying. The cost of about five cents per head for the warble powder brings returns in dollars.

Breynat

Miss Collette Dupre has returned from the hospital.

Mr. and Mrs. Yvon Barhand of Prince George, B.C., have been visiting her parents, Mr. and Mrs. P. Hebert.

Mr. and Mrs. Gordon Foulds of Drayton Valley have been guests of Mr. and Mrs. P. E. Hebert and Mr. and Mrs. Sam Parenteau.

Mrs. Philip Hebert is a patient in the Lac la Biche Hospital.

Mr. and Mrs. George Duperron of Amesbury are the parents of a daughter, born on Feb. 3 at the Lac la Biche Hospital.

Hockey In The News

LAC LA BICHE — Four games were played in the Lac la Biche Boys' Hockey League during the past week. In Saturday's encounters Gerrard Langevin guided the Rangers to a 1-0 victory over Clive Brimsmead's Maple Leafs. The lone goal came at 1:30 in the second period when Donald Michetti took a pass from Gerrard Langevin to beat goalie Edward Lobay.

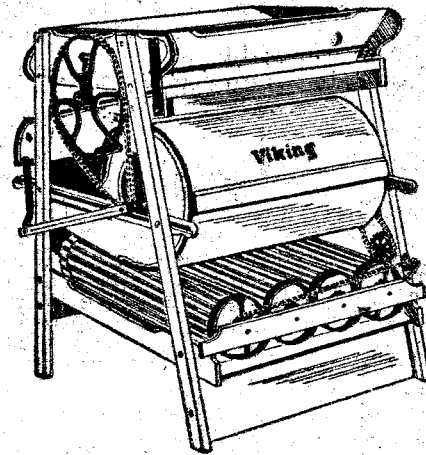

In the other game Larry Rosychuk paced Jimmy McCormick's Bruins to a 3-0 victory over Gordon McCormick's Canadiens. Rosychuk's goals came within 2½ minutes in the opening minutes of the first period. Referee in both games was Tommy Maccagno.

On Wednesday the Canadiens came back to take a 4-0 verdict from the Rangers. Scoring was opened in the first period on a goal by Joey Cunningham. Three minutes later, Captain Gordie Cunningham rapped the rubber behind goalie Jimmy Stewart, repeating the act, two minutes later. With two minutes remaining in the final frame, Andy Langevin made it 4-0 for Canadiens.

In Wednesday's second game Clive Brimsmead's luckless Maple Leafs were gunning for their first victory. Scoring was opened by

Burns' Rosychuk, who beat goalie Labby at 3:20 of the first period, two minutes remaining in the final Brimsmead roared back to knot the count at 5:40, repeating at 14:01 to put his team out in front. It remained for Captain Jimmy McCormick to save his team from defeat by rapping the equalizer behind goalie Labby, with less than two minutes remaining in the final period. Maple Leafs made a desperate effort to score another goal but time ran out with the final score Maple Leafs 2, Bruins 2. Referee for both games was Rev. R. S. H. Greene.

NOTHING BUT THE TRUTH

By Arnold

Tobe Hinch keeps on plan-nin' on goin' to work one of these days.

Sign in a hardware store window; White shotguns for formal weddin's.

Too many folks put a dime in the collection plate and expect a dollar sermon.

Some of these spooky programs must be on a ghost to ghost hookup.

Nope, a broken heart ain't hardly ever fatal.

A father with six kids and one bathroom doesn't have a chance.

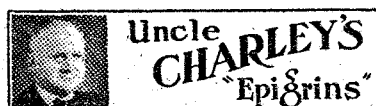

Folks who play to the grandstand ain't ever really in the game.

To git along in the army if a thing moves, salute it, if it doesn't, paint it.

Nothin's as disturbin' as standin' in a line that ain't movin'.

A politicians talk is just the patter of little feet.

—REV. CHARLEY GRANT

EIGHT CLASSROOM SCHOOL FINISHED IN EIGHT WEEKS—The Glenwal Co. Ltd., Calgary, have set what they believe to be a new record in the building of schools in Western Canada. Made of panel construction, an eight-room school which was started November 1st at Calgary in the Spruce Cliff district was completed on December 27th.

BOYLE AND DISTRICT BOARD OF TRADE TO SPONSOR CARNIVAL FEB. 25

Boyle and District Board of Trade are sponsoring a mammoth carnival on Feb. 25. This carnival is being sponsored to raise funds for a new curling rink and to help pay for debts incurred in building a skating rink. To insure top notch entertainment for the people of the district, five members of the Edmonton Curling Club have been invited to perform for the audience.

Starting in the afternoons entertainment will be a parade of school students at 3:00 p.m. at the skating rink. Prizes will be awarded for the best costume in the parade. Highlights in the program for the day will be the skating exhibition by members of the Edmonton Skating Club, a midget hockey game and a senior tussle, with a team from Boyle meeting the stiff competition provided by a club invited from Edmonton.

Contestants for Queen of the Carnival are Miss Juliette Fournel, Miss Irene Mikula and Miss Mary Chiswell. After the announce-

ment of winner of this event and ceremonial crowning takes place, a draw will be made for the radio. This valuable prize is to be awarded to some lucky ticket holder, who purchased a ticket as a vote for their queen candidate choice.

The dance, commencing at 10 p.m., will feature good music and many door prizes.

Newbrook

The Social Bonspiel is over, and the Grand Challenge prize went to skip Humm and the merchants prize to Cliff Hrdlicka.

Miss Kathleen Kostereva left on Thursday for Edmonton, where she is entering the School of Nursing at the Royal Alexandra Hospital.

Mr. and Mrs. Cliffe Buchanan of Sundre spent the weekend visiting friends in the White Mud district, and also visited friends in Newbrook.

Mr. and Mrs. Mike Turko are visiting Mr. Turko's mother, Mrs. Alex Penchuck. Mr. and Mrs. Turko were married on Saturday in Calgary, where they will reside.

House And Garage Destroyed By Fire

PERRYVALE—Fire which broke out about 10 a.m. Thursday, Feb. 10 completely destroyed the Perryvale Garage and the owner's adjoining home.

The garage is owned and operated by L. B. Silverthorne. The fire is believed to have started from an exploding oil heater in the house.

Mrs. Silverthorne was working in the garage office, and when the fire was discovered it was too late to save anything from the house.

Volunteers, aided by the boys from the high school succeeded in saving a quantity of tools and equipment from the garage. Mr. Silverthorne got his truck and a tractor out. Snow and water were thrown on nearby residences to

prevent them from catching fire. The fire spread so rapidly that house and garage were completely levelled in about one and a half hours.

Most of the books and records were lost. Mr. and Mrs. Silverthorne and their son Bobby lost all their household goods and personal belongings and all clothing except what they were wearing at the time.

The family is staying with Mrs. Silverthorne's mothers, Mrs. W. Thomas, for the present.
